## fourchapter GALLERY

### ABOUT THE GALLERY

The Four Chapter Gallery is a collaboration between Christ Community and The Culture House that seeks to explore the relationship between art and ideas, reality and fantasy, beauty and deception, and individuality and community. We are pleased to display work from local, emerging, and national artists, who work in a variety of mediums. We're convinced that the whole city flourishes when good art is produced and made accessible. For more information, visit [FourChapter.gallery](http://FourChapter.gallery)

#### This Month's Exhibition:
