BLESS

Invite the children to lie on the ground and close their eyes as if they're sleeping. Let them know that as you read the following verse, they should listen for the words "wake up," and when they hear these words, they should open their eyes and sit up.

Open a Bible and read **Ephesians 5:13–16**.

But everything exposed by the light becomes visible—and everything that is illuminated becomes a light. This is why it is said: "Wake up, sleeper, rise from the dead, and Christ will shine on you." Be very careful, then, how you live—not as unwise but as wise, making the most of every opportunity, because the days are evil.

Now encourage the kids to stand as you bless them.

May Christ's light shine on you so that you can clearly see how God desires for you to live. May you obey Him and follow Him as you walk in that light.
